Price: \$9.99 With the rise of the mobile devices, millions of apps have been created to help people navigate this modern world. StoryO is one of them. It allows you to create a story, no matter what the topic might be, simply by pulling inspiration from the web. What it does is retrieve text from another sources on the web and put them in a timeline. StoryO is a wonderful app for writers, bloggers and other professionals. Simple and intuitive graphical interface The application has a clean graphical interface with multiple tools at your disposal. The primary tool consists of the timeline feature, where you can arrange text, images, videos and other information in an intuitive way. You can adjust settings, add notes and other elements to your timeline. The timeline can have multiple segments, each one with an index card. By clicking on them, you will be taken to a separate page. You can also control the columns and align the images. You can make all sort of adjustments to text as well. Adding text snippets, changing font style, adding color or size and changing the text to Arial Bold. Change the background or theme of the application StoryO also allows you to change the background and all other elements of your timeline in order to customize your work. This feature is present in each timeline, and the tweaks you can make in any of the text segments can be changed for the entire timeline. It also sports many different themes, so you will be able to find the right one for you. StoryO also allows you to customize the tools. You can choose a different font, change the colors or even use your own photos. It's pretty easy to do so and really makes a difference. You can also choose different themes or even choose to hide a specific tool. You can also save projects on your computer, for later use. In case you lost the file, you can easily retrieve it from the Device Data. There are also project templates which can be used to get started quickly. All in all, StoryO is a beautiful application designed for writers, journalists and other professionals that want to organize their ideas or texts with the help of interesting photographs and videos. Introducing the first episodic game series on Netflix! Action! Based on the best-selling books by Rick Riordan, The Heroes of Olympus follows the twelve Athenian students who attend the legendary Academy at the center of the Greek world. The group's stories unfold over the course of a decade as they enter a thrilling world at war. Death and betrayal threaten the lives of the teens as they wrestle with the balance between friendship and duty. Their epic quest tests their courage, teamwork, and courage to save the lives of their friends. Click here to get more info about the series: Watch 30min episodes on Netflix UK: Ancients. In present day. Modern dangers. Supernatural powers. Death and destruction lurk around every corner, and finding a balance between friendship and duty, love and honor, can determine the outcome of the battle. Frustrated by the lack of action and adventure in his life, Percy Jackson finds himself agreeing to sign up for the Greek Olympic Training Program. What begins as a simple training program takes him all over the Greek world where he encounters new challenges, clues to his parent's whereabouts, and endless dangers that could lead him to the edge of the Underworld itself. The heroes of Olympus look different today—that's because they're in high school! Percy, dealing with puberty, had been blissfully unaware that he was a Greek demigod, unaware that anything miraculous or supernatural even
